## What makes Butterworths webinars an effective way to learn?

- They're convenient: expert training is delivered to you at your desk
- They're flexible: you can earn all your CPD points at a time that suits you
- They're extremely cost effective: you can drastically reduce the amount spent on professional training
- They fit around your working day
- They're interactive: speakers provide answers to your questions during the live broadcasts
- You can download presentations and podcasts, as well as relevant All England Law Reports taken from LexisNexis Butterworths Online
- You can revisit the material for at least twelve months after the event, again and again
- They're from Butterworths® who have nearly 200 years of legal expertise

### 5 simple steps

1. **Watch and listen** to experts during a one-hour live audio-video broadcast, view a live lunchtime broadcast or subsequently whenever you choose
2. **Participate** in a live debate by submitting questions to the panel (available during live broadcasts)
3. **Earn 2 CPD points** per webinar by completing the post-event online assessment
4. **Access exclusive LexisNexis Butterworths content** including downloadable case reports from Halsbury's articles, regulatory materials, podcasts and speakers' slides
5. **Review and replay** by downloading the podcast or watch the entire broadcast again

*"I thought the webinar was very well done and found it informative and useful. It's great to be able to interact online and it saves me from travelling. I would use the service again and I am recommending it to the team"*

## Welcome

The **Butterworths Personal Injury Webinars** offer an amazing opportunity to take part in an interactive seminar without leaving your desk. They are broadcast live which means that they are bang up to date and entirely relevant to current practice.

But don't worry if you miss one, once broadcast they are available to view whenever or wherever you choose.

The topics we have chosen reflect those issues which you have told us are the most relevant to the way you practice. Our carefully selected speakers ensure that each webinar delivers expert guidance in a memorable and stimulating way. Whether you watch them alone at your desk or in a group you'll feel as if you have attended a seminar – only without the travel or downtime.
